

USER MANUAL **RECEPTION DESK PB-R021**

Assembly Steps

Step 1 – Assemble the Side Cabinets

Attach the left and right cabinet panels together using the supplied cam bolts and cam locks. Tighten all connectors securely.

Step 2 – Install the Main Desktop

Position the desktop onto both side cabinets. Align the pre-drilled holes and fasten the desktop using the supplied screws and cam locks.

Step 3 – Install the Support Posts and Upper Shelf

Insert the two metal support posts into the desktop. Place the upper shelf onto the posts and secure it firmly with the provided screws.

Step 4 – Install the Cabinet Door

Attach the door to the cabinet using the concealed hinges. Adjust the hinges if necessary to ensure smooth opening and proper alignment.

Step 5 – Install the Keyboard Tray

Attach the keyboard slide rails to the cabinet and keyboard tray. Slide the tray into the rails until it locks securely in place.

Finish – Install the Cable Grommet

Insert the cable grommet into the desktop opening. Ensure all hardware is fully tightened before use.

CARE & SAFETY

- Do not stand or sit on the top.
 - Clean with a soft cloth and mild soap only.
 - Re-check screw tightness after the first week of use and after moving the unit.
 - If something doesn't align, loosen, realign, and retighten rather than forcing parts.
- For assistance, contact your seller with your model number and clear photos.
